

KNIGHTS OF COLUMBUS COUNCIL 925

Volume 16 Issue 2

THOUGHTS FROM THE GK

I know this is a busy month. I know we all have opinions or just something to say about what is or is not going on. The main thing is to get out and vote. I know that I must support life and it is clear that one candidate is prolife and one not. I also know one wants to keep things going on and continue as usual and the other wants to put us back as a God fearing nation. With that said pray for ALL Leaders and do your part and vote.

I pray that all who knows our Lord Jesus will humble themselves and just think before we talk to others who doesn't know our Lord Jesus so that they will get to know Him and follow Him and can have forgiveness upon confessing and repentance of the sin. Remember we are the light in the darkness and the salt so we must put the armor on each day.

Words from the Controller

Two important reminders:

#1 Please remember that we will need to fill out our 2016 fraternal service form in the coming months. Many of you donate your time to charitable organizations (for

example scouts, youth groups, athletics, etc) — we would like to include your time in our survey answers, so please let us

know an estimate of how many hours you worked for your charity. If you visit the sick and/or bereaved, we would like to include an estimate of how many visits you have made.

#2 Remember that our Smoked Boston Butt cooking date is rapidly approaching. If you have sold tickets, please bring the proceeds to the meeting. If you have not sold tickets, please pick up some tickets to sell! We are in a hard way so far as finances go, and this is a good opportunity to set things aright!

We will be cooking at the McBrearty home on High Street starting early on Friday, November 11. If you can help, help would be appreciated! Pickup of cooked butts begins at 4PM and ends at 7PM.

Bless

Financial Secretary

If you need to update your information or are interested in being a part of it please contact the Commander, Tom Mead at 478 951 5101 o Thom@registerdata.com.

Community, Fellowship, Family, Church, Youth, Programs.... Even if you are not able to attend all Council meetings you can play an important role in coordinating one of these. Email Rowdy if interested. May God bless you for your support.

General Intercessions on Political Responsibility – Priests for Life

That God's people may exercise their responsibility to vote in this year's elections, we pray to the Lord.

That as we exercise the privilege of voting for our elected officials, our choices may reflect the Gospel of Life, Justice, and Peace, we pray to the Lord.

That our commitment to justice, life, and the common good may take precedence over political affiliation as we make our choices in this year's elections, we pray to the Lord.

That candidates for public office may recognize that the right to life is fundamental, and the source of all other rights, we pray to the Lord.

That God's people, who are called to be citizens of heaven, may exercise good citizenship on earth and vote with a Catholic conscience, we pray to the Lord.

Thanksgiving Dinner

We will need Knights to help in preparation. The prep work starts on Monday and runs through Wed. On Thursday we will need help to serve and to deliver meals to shut-ins. Also we need many electric rosters to cook the birds. If you can help at all please contact Joe Hargrove at 338 5990.
